Get More Done. Even Faster.

Now you can achieve much more in less time. Smoother workflows and faster speeds are just some of the great features that will help your business be more productive.

Faster Processing – Improve your print, scan and copy speeds by taking advantage of up to 3 GB of upgradable memory, an 800 MHz dual-core processor and Gigabit Ethernet.

Reliable Performance – Easily print up to 25,000 pages per month, plus enjoy fewer maintenance hassles, thanks to our state-of-the-art paper handling.

Keep Jobs Moving – With a maximum input capacity of up to 3,300 sheets and a high yield toner cartridge, you won't have to add paper or change cartridges as often.

Get Work Done Quickly – Enjoy print and copy speeds up to 70 pages per minute, produce your first page in as little as 4 seconds and scan a two-sided document in a single pass.

Look Professional. Work Smart.

Using a multifunction printer is easier than you think. Our system's easy-to-read touch screen saves steps with the press of a button, so you can focus more on business.

Smart and Easy to Use – A vibrant 7-inch or 10-inch color touch screen on the XM5100 Series provides access to pre-installed workflow solutions.

Front USB Port – Print without a PC using our convenient USB port that lets you walk up, preview and print PDFs and many other file formats.

Print on a Wide Range of Media – With built-in 2-sided printing and the ability to print on diverse materials, you can do more for your business and use less paper.

Innovative Toner that Optimizes Performance – Get greater system performance with Lexmark's Unison™ Toner, which delivers consistent image quality from first print to last.

Intelligent Workflow. Secure Design.

Our preloaded business solutions simplify your work processes and increase productivity. Ultra-advanced security capabilities provide maximum protection for your critical business data.

Print Anytime and Anywhere – With this system, you can print from desktops as well as mobile devices that can run applications.

Apps Make it Easy – Preloaded solutions work much like mobile phone apps. Touch the screen and access shortcuts to scan, print, copy or send faxes, emails and other documents fast.

Enjoy Enterprise-level Security – Now you can authenticate, authorize and audit employee usage. You can also protect sensitive data using standard network security protocols, data encryption and disk wiping capabilities.

Identify Potential Risks – Track more than 100 variables and events, including user activity, with Audit Logging. It's designed to work with your intrusion detection system in real time.

General	
Standard Ports	One Internal Card Slot, USB 2.0 Specification Hi-Speed Certified (Type B), Front USB 2.0 Specification Hi-Speed Certified port (Type A), Rear USB 2.0 Specification Hi-Speed Certified port (Type A), Gigabit Ethernet (10/100/1000)
Optional Network Ports	Internal MarkNet™ N8350 802.11b/g/n Wireless
Optional Local Ports	Internal RS-232C serial, Internal 1284-B Bi-directional Parallel
Noise Level, Operating	Print: 57 dBA / Copy: 58 dBA / Scan: 57 dBA
ENERGY STAR	Yes
Specified Operating Environment	Temperature: 16 to 32°C (60 to 90°F), Humidity: 8 to 80% Relative Humidity, Altitude: 0 - 3048 Meters (10,000 Feet)
Size (in. - H x W x D) / Weight (lb.)	28.6 x 21.6 x 22.8 in. / 95.4 lb.

¹ Based on approximately 5% print coverage. Actual yields may vary based on factors such as page coverage, image type, job size, print/copy/fax modes, and duplexing.

² "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

³ "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
