

# Get Control of Your Printing Costs and Save up to 30%

## Managed Print Services ... The Savings Will Really Pile Up!

Printing supply invoices are just the start. There's also staff time, IT support and other resources. We offer the fast, simple way to get control and **save you up to 30%**.

### We do the work:

- Assess your printing needs and resources
- Automatically replenish your supplies
- Provide regular maintenance
- Track and report on printer activity
- Provide a convenient single source for billing, service and supplies

### You enjoy the benefits:

- Up to a 30% reduction in printing costs
- Proactive just-in-time delivery of supplies
- Minimized downtime
- Freed-up IT time to focus on core priorities
- Maximized value of your printing assets
