

### Steps to Register:

Registration Key Request

Name

Email

Company Name

Company Phone

Submit

[Back to Registration](#)

1. Search '**Rhyme Support**' in the App Store for Apple devices or Google Play Store for Android devices and click **Download**.
2. Once app is downloaded, open the app and click **Register** at the bottom of the screen.
3. From there, you will click '**Request a registration key**'.
4. Fill out the form with Name, Email, Company Name, and Company Phone on the Registration Key Request and click **Submit**.
5. You will receive an email, during business hours, from: **SupportApp@Rhymebiz.com** with your Registration Key. Each business location has its own Registration Key. If your business has multiple locations, they can each be added and managed within the app.
